California Transplants Open Nebraska's Newest Fiber Mill

By Rita Brhel, newsletter editor

I have long been visiting farms to feature in upcoming articles or newsletters but only recently began taking my husband and our two young daughters. A beginning farmer himself, my husband enjoys being exposed to new ideas and learning from the expertise of others as much as I love writing about them. So, when I asked him if he'd like to attend a tour of Yanez Farms and Fiber Mill in Ansley with me in June, he didn't hesitate to say yes.

We didn't know what to expect. I was excited to see the fiber mill, knowing it was a small
